Re: Attorney General Fees

Subsequent to the notice your received on October 1, 2008 regarding the Attorney General fees for FY 2010 that are based on the Statewide Cost Allocation principles it was discovered that there was an error on the total number of hours reported by the Attorney General's Office that the FY 2010 fees were based on. The recalculated and corrected FY 2010 fees for the Attorney General's Office are included on the updated FY 2010 Indirect Cost Recovery Budget Adjustments schedule that is attached and also posted on the DFM website. Your DFM Budget Analyst will make the necessary adjustments to your FY 2010 budget request to reflect the corrected amounts. There is no action required on your part.

Should you have questions regarding the numbers on the attached schedule, please call your respective DFM Analyst or myself.
